

**STOP PRESS.....STOP PRESS.....**

- **Booths (Keswick) are now offering next day Click & Collect.**
- **Oakhurst Garden Centre are offering deliveries of compost and plants**

We are aware that what the local shops can provide, both in terms of goods and service, is changing by the day. The latest position is as follows.....

---

**Tony Harrison – Butchers - 01900 823164**

The Support Group is now providing a once a week collection service. Orders need to be telephoned through direct by 10.00am on a Thursday and at the same time, you will need to tell Harrisons that it is for the Eaglesfield Support Group Collection. You will also need to arrange payment over the phone. The orders will be collected by one of the Group's Volunteers and delivered to your door around 10.00am to 11.00am Friday morning.

---

**Fyne Fish – Fish - 01900 827814**

Similar arrangements as for Tony Harrison. Orders need to be telephoned through direct by 5.00pm Tuesday so they can order in fresh - indicate it is for the Eaglesfield Support Group Collection. You will need to arrange payment beforehand, over the phone. The orders will be collected by one of the Group's Volunteers and delivered to your door around 10.00am to 11.00am Friday morning, along with any meat orders.

---

**County Fruit Stores, Station Street, Cockermouth – 01900 822108**

Orders can be telephoned into them direct and they will deliver to your door. Because of demand, they are now looking to focus this for Eaglesfield on a Friday delivery day.

---

**Caterite, Embleton -**

Caterite have organised a Click & Collect system which seems to be working very well. You need to register as a customer online. Once your account is approved, you receive a password to gain entry to the shopping site. Just take care when clicking.....some of the products are only available in catering size packs! There is a minimum spend of £50.00 – you can't check out until the £50.00 spend level is reached. Once you have clicked through and confirmed your order, Caterite will agree a collection day & time. Please discuss collection arrangements with your Volunteer contact.

---

**Sainsburys, Cockermouth**

At the moment, they can't offer us a telephone order system and their tills are programmed to only allow 2 or 3 of certain items. So, any form of 'group' shopping would not be possible.

We are continuing to look at this and will advise if a better system can be arranged. I believe many people are already being supported on a 1:1 basis in respect of Sainsburys / Aldi / Lidl shopping – please continue to liaise with your Volunteer contact.

Online Ordering – Sainsburys are advising that the current lack of delivery slots is being resolved by re-directing resources and staff. It may become a viable option – we will update on this as the situation improves.

---

**Coffee Kitchen Bakery – 01900 821599**

A new name to add to our list although some villagers have been buying from them over the last couple of weeks. Ring through your order to the shop and they will deliver to your door. Payment is by an emailed invoice with a 'click to pay' button – you can pay by Paypal or by using a card. If you want an order list, please call Tim Grisdale. For anybody who doesn't have email access, they will take payment over the phone on a card.

---

**Scales Farm Shop – Embleton – 017687 76514 / 07594 263171 – Sheila & Thomas**

Another new name on to our list of suppliers.

They have a wide range of fruit, veg, sausage, bacon and of course, loads of eggs. Ring through your order and they will prepare it ready for collection.

Contact Tim Grisdale to arrange collection or liaise directly with your Volunteer contact, or contact one of the Support Group below. Collection can be arranged + delivery to your door.

---

**Booths Supermarket, Keswick – 017687 73518**

Booths have now launched a Click & Collect service from their Keswick store.

Order online at <https://everyday.booths.co.uk/>

Minimum Order £30.00 + there is a £3.00 Booths Collection Fee and all shopping is placed in Booths bags charged at 20p per bag.

**IMPORTANT NOTE:** Ordering is straight forward and is based upon Next Day Collection - the Eaglesfield Support Group are offering the Collection service free of charge.

**HOWEVER**, we can only offer this facility on 2-3 days per week. If you want to place an order, please contact Tim Grisdale first to reserve a Collection Day. You will then need to place your order the day before collection. Booths will call you to take payment over the phone. Tim will organise one of the Support Team to collect and deliver to your door.

---

**Oakhurst Garden Centre - 01900 822180**

Oakhurst are offering a delivery service. They are currently offering compost, a range of early bedding plants, fruit trees, trays of vegetable plants, tomato, cucumber & capsicum plants, alpines and perennials + wild life bird and squirrel food and feeders. They will even organise a selection of shrubs and plants for you if you describe the garden area, amount of sun etc. So, get planning!

Call them to order, or if you use Facebook, you can PM them with your contact details and requirements.
