

Help us keep COVID-19 Secure in Eaglesfield Village Hall

We have carried out a risk assessment of our Village Hall and we want to stress the following 5 Steps to help us to keep safe together when you visit our Hall:

- 1. Please do not enter the building if you have symptoms of COVID or you are meant to be self -isolating due to symptoms of COVID in your household or you are meant to be in quarantine.**
- 2. Clean your hands often using the hand sanitisers/soaps provided or you own supplies.**
- 3. Remember good respiratory hygiene if coughing – use a tissue or cough into your elbow.**
- 4. Regular cleaning of the Hall is being carried out to minimize the risks for all hall users and staff.**
- 5. Maintain social distancing of 2 metres in and around the building or 1 metre plus mitigation measures if not possible**

Thank You!
